Red Cross Financial Assistance for Typhoon Yutu

The NMI Red Cross is providing financial assistance to families on the island of Tinian and to families on Saipan whose households have been destroyed (2 or more structural elements damaged) or majorly damaged (1 structural element damaged) by Typhoon Yutu.

(Note: One structural element is a Roof or Wall. For damage to count as structural, it must be a failure of the rafters or wall studs and not only flooding, window or tin damage)
